Application: Quietube, www.quietube.com; removes all the lists, ads and other distracting features of YouTube.

Similar applications: Tube chop, www.tubechop.com; Safeshare, www.safeshare.tv

Focus: watch YouTube videos without any onscreen distractions

Level: n/a

Age: n/a

Time: done in seconds

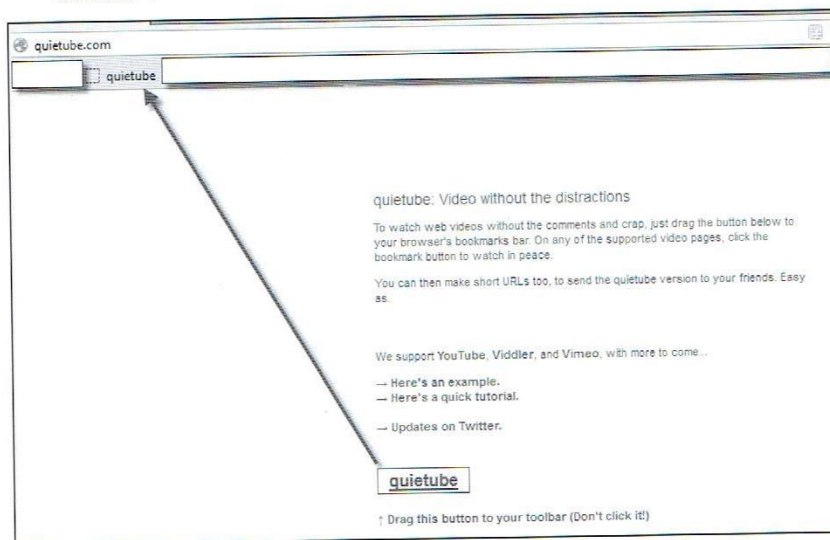

ICT skills: browsing, typing, dragging & dropping

Equipment: computer lab OR single computer; Mozilla Firefox is recommended as the browser of choice

Do It Yourself

- 1 Using the computer(s) you have in class, go to www.quietube.com. No registration required.
- 2 Drag the 'quietube' button into your browser's Bookmark (in the toolbar at top: see Image 1).

Note: If you cannot see your bookmarks in the top browser field, click 'View – symbol bars/toolbars – bookmark symbol bar/toolbar'.

1: dragging the 'quietube' button into the bookmarks
